Re: 1) 510k  
2) MSDA Not Applicable Statement

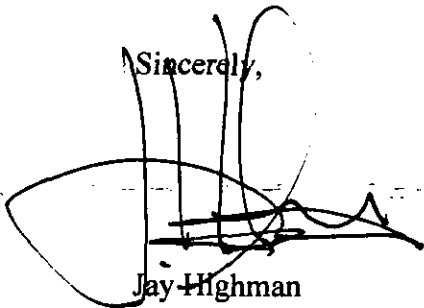

The products manufactured by Nature's One, Inc. are categorized as food and nutritional supplement products and not medical devices nor products that required MSDS by OSHA.

Therefore, both 510k and MSDA information are not applicable to products manufactured by Nature's One.

According to FDA regulations for food facilities, Nature's One, Inc. is a registered Food Facility, number: 15505671538.

Please feel free to contact us should you have any questions.

Sincerely,

Jay Highman  
CEO & President  
Nature's One, Inc.
