MATERIAL SAFETY
DATA SHEET

Effective Date:
03/20/14

9. Ecological information

Product is not soluble in water. Product is not flushable.

10. Disposal Considerations

Dispose using same protocol as disposable incontinence products. Do not flush down the toilet.
Dispose in accordance to federal, state and local regulations.

11. Regulatory Considerations

Latex:	None of the materials used in the manufacture of the above product, including the packaging contain dry crumb rubber or natural rubber latex materials.
Ozone Depleting Substance Act:	All material contained in or associated with the manufacture of these products comply with the 1992 Amendments to the Clean Air Act; specifically, Protection of Stratospheric Ozone, 58 C.F.R. 8136 etc. Seq. (2/11/93). We are committed to purchasing only those materials that do not contain ozone-depleting substances.
California Proposition 65:	Based on evaluation of the components used in this product, this item does not contain any of the ingredients on the California Proposition 65 list.
