Altitude The morning air at Altitude is fragrant, clear and crisp. One of our most sophisticated creations, a medley of fragrance oils combine to offer a truly 'high level' experience.

Oceanic Dive into this hyper-fresh marine fragrance. At the heart of this creation are the aqua-florals of lily and lotus flower. An undertow of subtle muguet, gives this unique product true depth and clarity.

Panorama Perfect balance and synergy exist in this intriguing fragrance. The strong outdoor presence of fresh basil, anise and sage is counter balanced by the soothing green freshness of cypress, for an overall harmonious effect.

Fleur de Luxe Delicate yet complex, Fleur de Luxe combines summer jasmine, ylang ylang and fragrant tuberose. Clove bud with subtle nuances of lemon and amber enhance the fragrance intensity.

Cirque de Citron The radiant top notes with crisp bergamot, as juicy lemon provides a sparkling sensation. Grapefruit, orange and mandarin add richness to the heart of the fragrance as cassis brings a unique and dynamic combination.

Earthtone This aromatic woody scent opens with rich patchouli. Red cedar gives this fragrance its intense and dynamic heart. This creation finishes with warm full-bodied notes of sandalwood, oakmoss and musk.

claire-romatherapy™

ultra-premium metered hand-held fragrances

Instant deodorization

Leaves no residue or stain

Neutralizes stale tobacco odors

VOC compliant

Free of all chlorinated solvents

PRODUCT USES

This V.O.C. compliant air freshener incorporates state-of-the-art technology in particle dispersion while eliminating excess volatile organic compounds in present day "dry" air fresheners. This product can safely be used on most fabrics, upholstery, carpet and draperies with no staining or residue. Provides immediate deodorization of malodors in the air and on any surface.

AREAS OF USE:

Atomized mist quickly travels throughout the area sprayed, releasing the fragrance to provide complete deodorization instantly in such areas as: restaurants, restrooms, hotels/motels, nursing homes, schools, offices, locker rooms, smoking areas, garbage areas.
