

Direct Embroidery

Four fonts are offered for direct embroidery, with several sizes in each (3/8" - 1"). Embroider text directly on a garment, an emblem, or on a name strip. This option is most often used for names, titles, accredits, etc. and can be done easily without the need for digitization.

- Multiple lines of type, in the same or different sizes, can easily be added to a garment. To add more than one line, please contact a Customer Service Representative at 1.800.733.5271 to order this option.
- Please specify if all CAPS are required. Using all caps will reduce the number of characters per line. The characters listed below are based on lower case.
