

STAINLESS STEEL WIPES

Product # 1549

Shine and protect surfaces in one step

When stainless steel becomes smudged with fingerprints, heavy grease and residue – these wipes quickly remove heavy soils and restore brilliant shine. Premoistened with a powerful citrus-based solution that effectively removes grime, yet won't harm stainless steel. As they remove dirt, they leave behind a clear, protective coating which shines surfaces and preserves them from unsightly water marks and harmful corrosion.

They are perfect to use on any Stainless Steel surface:

- Diner grills
- Beverage dispensers
- Coffee machines
- Elevator surfaces
- Counters
- Restrooms

Effective Against

- Grease
- Grime
- Smudges
- Fingerprints
- Protective coating protect against watermarks and corrosion

Features and Benefits

- Cleans, polishes and brightens stainless steel surfaces.
- After using, these towels continue to protect surface by leaving a protective shield to prevent water marks and corrosion.
- No harsh chemicals, leaves a pleasant citrus fragrance.
