

# **GLASS CLEANER**

## ***NEW AND IMPROVED!*** **READY-TO-USE LIQUID SPRAY**

### **GENERAL INFORMATION**

FRANKLIN GLASS CLEANER is a low-foaming, highly active spray product that rapidly penetrates and dissolves smears, smoke film, insects, soil, finger marks and food stains from mirrors, windows, showcases, glass top desks, windshields, chrome and other reflective surfaces. Leaves surfaces clean and glistening. Contains a solvent system for excellent soil removal and suspension. Works especially well with a squeegee.

FRANKLIN GLASS CLEANER is packed in convenient quart polyethylene bottles ... ready-to-use. No mixing. No diluting. Two handy trigger sprayers are included in each case.

### **USE DIRECTIONS**

Using a fine spray, spray six to twelve inches from the surface to be cleaned. Wipe dry immediately with a clean, dry cloth or paper towel. A squeegee may also be used quite effectively.

# FRANKLIN GLASS CLEANER
