

**STAINLESS STEEL  
CLEANER — MAINTAINER**

**READY-TO-USE LIQUID SPRAY**

**GENERAL INFORMATION**

FRANKLIN STAINLESS STEEL CLEANER-MAINTAINER is a stainless steel cleaner and polish maintainer that cleans, protects and imparts a brightened, shiny appearance to the treated surface. This product removes both water-based and oil-based stains, grease and finger marks and smudges. **STAINLESS STEEL CLEANER-MAINTAINER** does not contain any abrasives (cause dulling and scratching) or acids (cause pitting). Aids the treated surface in resisting subsequent finger marking, smudging, watermark staining, soiling and dust pickup.

**STAINLESS STEEL CLEANER-MAINTAINER** can also be used on laminated plastic, ceramic tile, enameled appliances, range hoods and chrome and other metal surfaces. Ideal for use on kitchen equipment and metal kick and push plates, as well as all washable hard surfaces in washrooms, restaurants, supermarkets, office buildings, elevators, escalators, etc.

*This product is not meant for use on oven interiors, eating or drinking utensils or direct food contact surfaces.*

**STAINLESS STEEL CLEANER-MAINTAINER** is packed in convenient pint polyethylene bottles . . . ready-to-use. No mixing. No diluting. Two handy trigger sprayers included in each case.

Authorized by USDA (A-7) for use in federally inspected meat and poultry plants.

# FRANKLIN STAINLESS STEEL CLEANER-MAINTAINER

## DETAILED REQUIREMENTS

Appearance: Light blue, opaque liquid  
Biodegradable Surfactants: Yes  
Phosphates: None  
Odor: Slightly oily

## DIRECTIONS

Lightly spray **STAINLESS STEEL CLEANER-MAINTAINER** directly onto surface to be cleaned. Wipe immediately in the direction of the grain (if any) with a soft, clean cloth. **STAINLESS STEEL CLEANER-MAINTAINER** can be used daily or on an "as needed" basis. **DO NOT USE ON OVEN INTERIORS, EATING OR DRINKING UTENSILS OR DIRECT FOOD CONTACT SURFACES. IMMEDIATELY WIPE UP ANY SPILLAGE OR OVERSPRAY ON FLOORS TO PREVENT SLIPPING.**

**IMPORTANT:** Use only as directed. Do not mix with anything unless recommended since harmful conditions and poor performance could result.

**FIRST AID: Skin and eye contact:** Flush the area with plenty of water. Remove material from clothing. Wash clothing before reuse. **If swallowed:** Do NOT induce vomiting. Give water to drink. Get medical attention. **NEVER GIVE ANYTHING BY MOUTH TO AN UNCONSCIOUS PERSON.**

Use in Well Ventilated Areas.

NON-PHOTOCHEMICALLY REACTIVE (MORE THAN 4%)

For Professional Sanitary Maintenance Use Only.

Before using, read Material Safety Data Sheet (MSDS) for this material.

**¡IMPORTANTE AVISO!** Si Ud. no sabe como se usa este producto, pida ayuda de su capataz o supervisor.
