

## CARPET SPOTTERS

2'n1 RUG SPOTTER RTU	BROWN BEE GONE RTU	CRISP™ - AEROSOL GUM REMOVER	LB #21 ANSWER™ MULTI-USE CARPET CLEANER	RINSE AWAY™
<b>GENERAL PURPOSE WATER-BASED SPOTTER</b>	<b>REMOVES COFFEE, URINE AND BROWNING STAINS</b>	<b>QUICK FREEZING, REMOVES GUM AND MORE</b>	<b>FOUR FORMULAS IN ONE - SPOTTER, PRE-SPRAY, SPIN CLEAN AND EXTRACTION</b>	<b>REMOVES ACID BASED STAINS - TEA, COFFEE, RED WINE AND MORE</b>
Removes both grease or oil based soils and waterbased soils. This dual action spotter allows the easy removal of salad oil, mayonnaise, cosmetic, grease, starch, mud, food stains and more.	Removes stains from coffee, detergent residue, red wine, rust, tea, tannin, urine and other browning stains from carpet. Contains citric acid and no harsh acids or solvents.	This quick freezing type formula simplifies the messy task of removing gum and other soft sticky materials from carpets, floors, cement, furniture, tables and clothing.	As a spotter it removes tough soils such as food, pet stains and even dirty motor oil, as a prespray, spin clean or extraction cleaner it brings these tough soils away from the carpet fibers without leaving a residue that attracts soils.	Works to remove detergent build-up, alkaline residue and browning stains on carpet. The special formula also works as a spotter that removes rust, betadine, tea, coffee, grape juice and wine.
Use for daily maintenance of carpets at schools, restaurants, nursing homes, offices, department stores, hospitals and hotels.	Use for daily maintenance of carpets at schools, restaurants, nursing homes, offices, department stores, hospitals and hotels.
