

# Safety Data Sheet

## Remedy Olivamine Calazime Skin Protectant Paste

### Section 1. Identification

|                            |                                                                           |                            |                |
|----------------------------|---------------------------------------------------------------------------|----------------------------|----------------|
| Product Identifier         | Remedy Olivamine Calazime Skin Protectant Paste                           |                            |                |
| Synonyms                   | MSC094544; MSD_SDS0124                                                    |                            |                |
| Manufacturer Stock Numbers | MSC094544                                                                 |                            |                |

### Section 2. Hazards Identification

|                          |                                                           |
|--------------------------|-----------------------------------------------------------|
| Classification           | No OSHA Hazard Classifications Applicable - Category N.A. |
| Signal Word              |                                                           |
| Pictogram                |                                                           |
| Hazard Statements        | No OSHA Hazard Classifications Applicable                 |
| Precautionary Statements |                                                           |
| Response                 | N/A                                                       |
| Prevention               | N/A                                                       |
| Storage                  | N/A                                                       |

|                                  |                   |
|----------------------------------|-------------------|
| Disposal                         | N/A               |
| Ingredients of unknown toxicity  | 0%                |
| Hazards not Otherwise Classified | No Data Available |

### Section 3. Ingredients

| CAS | Ingredient Name | Weight % |
|-----|-----------------|----------|
|-----|-----------------|----------|

Occupational exposure limits, if available, are listed in Section 8.

### Section 4. First-Aid Measures

|                     |                                                                                                           |
|---------------------|-----------------------------------------------------------------------------------------------------------|
| Eye contact:        | Wash with copious amount of water. If discomfort continues, get medical attention.                        |
| Skin contact:       | If irritation occurs, wash with soap and water. Get medical attention if irritation develops or persists. |
| Ingestion:          | Do not ingest. If large amount is swallowed seek medical attention.                                       |
| Inhalation:         | Remove to fresh air. If not breathing, give artificial respiration. Get immediate medical attention.      |
| Note to Physicians: | Supportive care. Treatment based on judgment of the physician in response to reaction of the patient.     |

### Section 5. Fire Fighting Measures

|                                     |                                                                 |
|-------------------------------------|-----------------------------------------------------------------|
| Suitable Extinguishing Media        | Use media appropriate to surrounding fire conditions.           |
| Unsuitable Extinguishing Media      | N/A                                                             |
| Hazardous Combustion Products:      | Unknown                                                         |
| Special Equipment For Firefighters: | Use protective equipment appropriate for surrounding materials. |

### Section 6. Accidental Release Measures

|                       |                                                                                                                                                  |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Personal Precautions: | Use protective equipment as required and avoid contact with eyes.                                                                                |
| Small Spill:          | Absorb spill with an inert material (e.g. dry sand or earth), then place in a chemical waste container.                                          |
| Large Spill:          | Contain spilled material with sand or earth. Use plastic or aluminum shovel to transfer waste material into appropriate containers for disposal. |

## Section 7. Handling and Storage

|           |                                                                                              |
|-----------|----------------------------------------------------------------------------------------------|
| Handling: | Wear proper protective equipment and follow good manufacturing practices when handling bulk. |
| Storage:  | Keep container tightly closed when not in use. Do not store at temperature above 95°F.       |

## Section 8. Exposure Controls/Personal Protection

| Occupational Exposure Limits  | Ingredient Name                                     | ACGIH TLV | OSHA PEL | STEL |
|-------------------------------|-----------------------------------------------------|-----------|----------|------|
| Personal Protective Equipment | N/A                                                 |           |          |      |
| Exposure Limits:              | Use proper protective equipment when handling bulk. |           |          |      |
| Engineering Controls:         | General room ventilation.                           |           |          |      |
| Respiratory Protection:       | Use proper protective equipment when handling bulk. |           |          |      |
| Skin Protection:              | Use rubber gloves when handling bulk.               |           |          |      |
| Eye protection:               | Use goggles when handling bulk.                     |           |          |      |

## Section 9. Physical and Chemical Properties

|                                       |                         |
|---------------------------------------|-------------------------|
| Physical State                        | Cream                   |
| Color                                 | Pink Opaque             |
| Odor                                  | Creamsicle              |
| Odor Threshold                        | N.D.                    |
| Solubility                            | Insoluble               |
| Partition coefficient Water/n-octanol | N.D.                    |
| VOC%                                  | N/A                     |
| Viscosity                             | 400,000 – 2,500,000 cps |
| Specific Gravity                      | 0.97                    |
| Density lbs/Gal                       | N/A                     |
| Pounds per Cubic Foot                 | N/A                     |
| Flash Point                           | N.D.                    |
| FP Method                             | N.D.                    |
| pH                                    | N.A.                    |
| Melting Point                         | N.D.                    |
| Boiling Point                         | N.D.                    |
| Boiling Range                         | N.D.                    |
| LEL                                   | N/A                     |
| UEL                                   | N/A                     |
| Evaporation Rate                      | N.D.                    |
| Flammability                          | N.D.                    |
| Decomposition Temperature             | N.D.                    |

|                           |      |
|---------------------------|------|
| Auto-ignition Temperature | N.D. |
| Vapor Pressure            | N.A. |
| Vapor Density             | N.D. |

## Section 10. Stability and Reactivity

Stability: Stable.  
 Conditions To Avoid: Unknown  
 Incompatibility: Unknown  
 Hazardous Decomposition: None  
 Products:  
 Hazardous Polymerization: Will not occur.

## Section 11. Toxicological Information

Likely Routes of Exposure: Eye: No Data Available  
 Skin: No Data Available  
 Ingestion: No Data Available  
 Inhalation: No Data Available  
 Chronic/Carcinogenicity: No Data Available  
 Teratology: No Data Available  
 Reproduction: No Data Available  
 Mutagenicity: No Data Available  
 Sub Chronic: No Data Available  
 Numerical Measures of Toxicity: No Data Available

## Section 12. Ecological Information

Ecotoxicological information: No data available.  
 Chemical fate information: No data available.

## Section 13. Disposal

Recycle or incinerate at an EPA approved facility or dispose in Compliance with Federal, State and Local regulations.

## Section 14. Transport Information

UN Number: N/A  
 UN Proper Shipping Name: Not Regulated  
 DOT Classification: Not Regulated  
 Packing Group: Not Regulated

## Section 15. Regulatory Information

|                                              |                                      |
|----------------------------------------------|--------------------------------------|
