

# Safety Data Sheet

## Soothe & Cool Total Body Cleanser

### Section 1. Identification

|                            |   |                            |                |
|----------------------------|---|----------------------------|----------------|
| Product Identifier         | Soothe & Cool Total Body Cleanser   |                            |                |
| Synonyms                   | MSC095320; MSC095322; MSD_SDS0103   |                            |                |
| Manufacturer Stock Numbers | MSC095320; MSC095322  |                            |                |
| Recommended use            | Cleansing product<br>Perineum wash solution for incontinent and stoma care. |                            |                |
| Uses advised against       | N/A   |                            |                |
| Manufacturer Contact       |   |                            |                |
| Address                    | Medline Industries, Inc.<br>3 Lakes Drive<br>Northfield, IL, 60093<br>USA   |                            |                |

|                            | Website   |                            |                |
|                            | www.Medline.com   |                            |                |

### Section 2. Hazards Identification

|                          |   |
|--------------------------|---|
| Classification           | No OSHA Hazard Classifications Applicable - Category N.A. |
| Signal Word              |   |
| Pictogram                |   |
| Hazard Statements        | No OSHA Hazard Classifications Applicable                 |
| Precautionary Statements |   |
| Response                 | N/A   |
| Prevention               | N/A   |

Storage N/A  
Disposal N/A

Ingredients of unknown toxicity 0%

Hazards not Otherwise Classified

Other hazards: None under normal conditions.

### Section 3. Ingredients

| CAS | Ingredient Name | Weight % |
|-----|-----------------|----------|
|-----|-----------------|----------|

Occupational exposure limits, if available, are listed in Section 8.

### Section 4. First-Aid Measures

**General:** Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).

**Inhalation:** Inhalation is not an expected route of exposure under normal conditions. Some processing conditions may generate fumes or dust. If experiencing respiratory symptoms: Remove to fresh air and keep at rest in a position comfortable for breathing.

**Skin contact:** Normally considered as not dangerous for the skin. If skin irritation occurs: Rinse with water.

**Eye contact:** Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persist.

**Ingestion:** Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.

**Most important symptoms and effects, both acute and delayed:** Symptoms/injuries: Not expected to present a significant hazard under anticipated conditions of normal use.

**Indication of Any Immediate Medical Attention and Special Treatment Needed:** Treat symptomatically.

## Section 5. Fire Fighting Measures

|  |   |
|--|---|
| Suitable Extinguishing Media                           | Foam. Dry powder. Carbon dioxide. Water spray. Sand.  |
| Unsuitable Extinguishing Media                         | Do not use a heavy water stream.  |
| Special hazards arising from the substance or mixture: | Reactivity: Stable at ambient temperature and under normal conditions of use.   |
| Advice for firefighters:                               | Firefighting Instructions: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment.<br><br>Protection during firefighting: Do not enter fire area without proper protective equipment, including respiratory protection. |

## Section 6. Accidental Release Measures

|   |   |
|---|---|
| For non-emergency personnel:                          | Emergency procedures: Evacuate unnecessary personnel.   |
| For emergency responders:                             | Protective equipment: Equip cleanup crew with proper protection.<br><br>Emergency procedures: Ventilate area.   |
| Environmental precautions:                            | Avoid release to the environment.   |
| Methods and material for containment and cleaning up: | Methods for cleaning up: Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. Collect spillage. Store away from other materials. |
| Reference to other sections:                          | See Heading 8. Exposure controls and personal protection.   |

## Section 7. Handling and Storage

|   |  |
|---|--|
| Precautions for safe handling:                                | Avoid contact with eyes. Observe normal hygiene standards.   |
| Conditions for safe storage, including any incompatibilities: | Storage conditions:<br>Keep only in the original container in a cool, well ventilated place away from :<br>Strong acids, strong bases and oxidation agents. Keep container closed when not in use.<br><br>Incompatible products:<br>Strong bases. Strong acids.<br><br>Incompatible materials:<br>Sources of ignition. Direct sunlight.<br><br>Storage temperature:<br>5 - 30 °C |
| Specific End use(s):  | No additional information available.   |

## Section 8. Exposure Controls/Personal Protection

| Occupational Exposure Limits      | Ingredient Name  | ACGIH TLV | OSHA PEL | STEL |
|-----------------------------------|--|-----------|----------|------|
| Personal Protective Equipment     | N/A  |           |          |      |
| Appropriate Engineering Controls: | Ensure good ventilation of the work station.                                       |           |          |      |
| Personal protective equipment:    | Avoid all unnecessary exposure.  |           |          |      |
| Hand protection:                  | In case of repeated or prolonged contact wear gloves.                              |           |          |      |
| Eye protection:                   | In manufacturing or other industrial settings: Chemical goggles or safety glasses. |           |          |      |
| Respiratory protection:           | Respiratory protection not required in normal conditions.                          |           |          |      |
| Other information:                | Do not eat, drink or smoke during use.   |           |          |      |

## Section 9. Physical and Chemical Properties

|                                       |                       |
|---------------------------------------|-----------------------|
| Physical State                        | Liquid                |
| Color                                 | Colorless/Clear       |
| Odor                                  | Unscented             |
| Odor Threshold                        | N.D.                  |
| Solubility                            | Soluble in water      |
| Partition coefficient Water/n-octanol | N.D.                  |
| VOC%                                  | N/A                   |
| Viscosity                             | N.D.                  |
| Specific Gravity                      | 1                     |
| Density lbs/Gal                       | 1                     |
| Pounds per Cubic Foot                 | N/A                   |
| Flash Point                           | > 100 °C              |
| FP Method                             | N.A.                  |
| pH                                    | N.D.                  |
| Melting Point                         | ≈ 0 °C                |
| Boiling Point                         | ≈ 100 °C              |
| Boiling Range                         | N.D.                  |
| LEL                                   | N/A                   |
| UEL                                   | N/A                   |
| Evaporation Rate                      | ≈ 0.3                 |
| Flammability                          | N.D.                  |
| Decomposition Temperature             | N.D.                  |
| Auto-ignition Temperature             | N.D.                  |
| Vapor Pressure                        | < 24 mm Hg @<br>25 °C |
| Vapor Density                         | N.D.                  |

Explosive Properties: Not expected to be a fire/explosion hazard under normal conditions of use.  
Oxidizing properties: Not classified as oxidizing.  
Explosive Limits: No data available.  
Other information: No additional information available.

## Section 10. Stability and Reactivity

Reactivity: Stable at ambient temperature and under normal conditions of use.  
Chemical Stability: Stable under normal conditions.  
Possibility of hazardous reactions: None under normal use.  
Conditions to avoid: Direct sunlight. Extremely high or low temperatures.  
Incompatible materials: Strong acids. Strong bases.  
Hazardous Decomposition Products: Fumes. Carbon monoxide. Carbon dioxide.

## Section 11. Toxicological Information

Acute Toxicity: Not classified.  
Skin corrosion/irritation: Not classified.  
Serious eye damage/irritation: Not classified.  
Respiratory/Skin Sensitization: Not classified.  
Germ cell mutagenicity: Not classified.  
Carcinogenicity: Not classified.  
Reproductive Toxicity: Not classified.  
Specific Target Organ Toxicity - Single Exposure: Not classified.  
Specific Target Organ Toxicity - Repeated Exposure: Not classified.  
Aspiration hazard: Not classified.

## Section 12. Ecological Information

Toxicity: No additional information available.  
Persistence and degradability: Not established.  
Bioaccumulative potential: Not established.  
Mobility in soil: No additional information available.

## Section 13. Disposal

**Waste Treatment Methods:** Waste disposal recommendations:  
Dispose in a safe manner in accordance with local/national regulations.

Ecology - waste materials:  
Avoid release to the environment.

## Section 14. Transport Information

|                         |               |
|-------------------------|---------------|
| UN Number               | N/A           |
| UN Proper Shipping Name | Not Regulated |
| DOT Classification      | Not Regulated |
| Packing Group           | Not Regulated |
| IMDG:                   | Not Regulated |
| IATA:                   | Not Regulated |

## Section 15. Regulatory Information

|  |                                      |
|--|--------------------------------------|
| SARA 311/312:                                | Refer to Section 2 of the SDS.       |
| SARA 302:                                    | N.A.                                 |
| SARA 304:                                    | N.A.                                 |
| SARA 313:                                    | N.A.                                 |
| TSCA:  | All components are listed or exempt. |
| CERCLA Hazardous<br>Substance List:          | N.A.                                 |
| Clean Air Act (CAA) Section<br>112, 112 (r): | N.A.                                 |
| State Regulations:                           | N.A.                                 |
