

Commode Chairs

McKesson commode chairs serve as portable toilets to be placed for easy access when needed to maintain dignity and independence. Commodes are ideal for users who cannot get to the bathroom due to limited mobility. The commode designs feature adjustable heights durable construction, removable buckets and secure arm rails for security and convenient use.

Features and Benefits

Standard Folding Steel-Frame Commode

- 3-in-1 design for use as a bedside commode, raised toilet seat or toilet safety frame
- Powder-coated, steel-welded construction maximizes strength and durability to support up to 350 lbs
- Intuitive push-button design allows you to quickly adjust the height without tools
- Folds for convenient storage and transportation
- Plastic armrests add comfort, safety and support
- Durable plastic snap-on seat and lid
- Includes 7.5-quart commode bucket with carry handle, cover and splash shield
- Non-skid rubber tips for added security and safety
- Tool-free assembly
- Not made with natural rubber latex
- HCPCS: E0163
