

Oxygen Masks and Face Tents

McKesson Oxygen Masks and Face Tents are easy to fit and conform to various sizes and shape. This line of aerosol, oxygen and non-rebreather face masks and face tents helps ensure proper care delivery by adjusting to different types of patients and providing a variety of attributes proven to aid in patient comfort and caregiver convenience.

Features and Benefits

- Available in pediatric and adult sizes and a variety of configurations
- Swivel snout design accommodates multiple treatment positions
- Elongated fitting and molded nose bridge eliminate the need for nose clip
- Transparent finish gives clinician a good view of a patient's face for visual assessment
- Not made with natural rubber latex

Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

Never Compromise on CareSM

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee.
