

Cast and Bandage Protectors

McKesson cast and bandage protectors help keep casts and bandages dry while bathing and showering. These products are designed with an elastic seal that eliminates the need for pumps, straps or adhesive tapes. The protector's stretch-tight fit ensures that your cast or bandage stays dry. They are not intended for underwater use. Available for arm and leg casts.

Features and Benefits

- Keeps casts and bandages dry while bathing and showering
- Fits most adults and children
- Folds compactly
- Reusable
- Not made with natural rubber latex
