

Decubitus Care Pads and Foam Products

McKesson Decubitus Care Pads and Foam Products are used to prevent tissue distress and help protect patients before, during and after surgery. Our pads and positioners help provide safety and security for patients and peace of mind for caregivers. We offer an extensive line of products, including heel and elbow pads, arm elevators, wheelchair pads, and body alignment pads to suit the needs of most facilities.

Features and Benefits

- Helps to decrease the risk of pressure sores and tissue breakdown
- Reduces possibility of prolonged hospitalization
- Maximizes comfort using strategic cushioning on pressure points
- Optimizes position and accessibility for surgical procedures
- Helps reduce chance of injury during movement
- Great for use in rehabilitative situations
- Not made with natural rubber latex

Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

Never Compromise on CareSM

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and we offer you support and work to help ensure you have the products you need, when you need them — making it even easier for you to provide the best care for your patients.

The product information contained in this document, including the product images and additional product materials, was collected from various supplier sources. All product claims and specifications are those of the product suppliers and have not been independently verified by McKesson Medical-Surgical or its affiliates ("McKesson"). McKesson is not responsible for errors or omissions in the product information.

The properties of a product may change or be inaccurate following the posting or printing of the product information in the document, either in the print or online version. Caution should be exercised when using or purchasing any products from McKesson's online or print documents by closely examining the product packaging and the labeling prior to use.

Due to product changes, information listed in this document is subject to change without notice.
