

Crutches

McKesson's push-button crutches feature durable construction, comfortable, adjustable padded hand grips and contoured underarm pads. The convenient and intuitive push-button design allows you to quickly adjust the height in one-inch increments. Non-skid tips provide excellent traction and stable performance. McKesson crutches are available in child, youth, adult and tall sizes.

Features and Benefits

Push-Button Aluminum Crutches

- Lighter than wood, the aluminum crutch provides stability and durability
- Double-extruded center tube provides additional strength to weight-bearing area
- Pushpin adjustment makes it easy-to-adjust crutch height in 1" increments
- Non-skid, jumbo-size vinyl contoured tips provide excellent traction
- Easy wing nut adjustments for hand grips
- Not made with natural rubber latex

Push-Button Steel Crutches

- Exceptionally durable, steel construction provides support for up to 500 lbs. making it ideal for bariatric care
- Push buttons easily adjust height in 1" increments
- Comfortable, contoured underarm design
- Easy wing nut adjustments for hand grips
- Large, non-skid jumbo-size vinyl contoured tips
- Not made with natural rubber latex
