

3.0 Nitrile Exam Gloves

McKesson Confiderm® 3.0 nitrile exam gloves feature a soft, stretchy material designed to make donning easy by quickly conforming to your hand, and facilitating range-of-motion. The gloves also feature improved tactile sensitivity, grip and fit. Fingertips are lightly textured for decreased slippage during a procedure. Gloves are ambidextrous and non-sterile. They feature a beaded cuff and are available in four sizes.

Features and Benefits

- Thin with high tactile sensitivity
- Improved conformability provides superior fit and extended wear comfort
- Textured fingertips for an improved grip
- Dark blue color for easy identification
- Not made with natural rubber latex

Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

Never Compromise on CareSM

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee.
