

## Reachers

For users with compromised mobility, stability, or arthritic pains, reachers can make a significant impact to improve quality of life and restore independence. By using a McKesson reacher, users don't have to rely on others to do simple tasks and can avoid worries associated with risks such as losing balance or using a step stool. Choose McKesson hand-held reachers for their versatility, light weight, and durability. Ideal for grabbing dropped items and reaching items on high shelves, McKesson reachers enable users to minimize bending and stretching movements.

### Features and Benefits

- Specially designed with a full handgrip to allow the use of all four fingers for greater grip strength
- Constructed with durable aluminum and plastic to resist wear
- Ultra lightweight aluminum frame weighs only 5.4 oz
- Pistol trigger only requires 7 oz of pressure
- Jaws open 2.5 in wide for picking up larger objects
- Non-slip, rubber tabs and magnetic tips allow composite jaws to retrieve and latch onto items more securely
- Folds flat for more convenient storage and use on-the-go (MFR # 146-RTL5022 only)
- Retail packaging
- Not made with natural rubber latex

Standard Reacher

Folding Reacher

### Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.
