

## Otoscope Tips and Dispensers

McKesson Otoscope Tips and Dispensers are designed to be compatible with most existing instruments. Disposable tips are made from a high-quality medical grade plastic, and are designed for secure fit, ease of caregiver use, and patient hygiene.

Our McKesson Otoscope Tip Dispenser is designed to be easily mounted on the wall for convenient dispensing. It will hold up to four packs (200) of our Otoscope Tips, and features a semi-transparent front in order to do a visual inventory for replenishment.

### Features and Benefits

- Semi-transparent dispenser front allows for quick, ready access
- High-quality medical grade plastic with a secure-fit design
- Disposable tips are designed to be hygienic and can be used with most existing otoscopes
- Tips available in two sizes: 4mm for adults, 2.5mm for children
- Convenient, out of the way, wall-mount dispenser measures a minimal 5.5" x 8", yet holds up to 200 tips
- Not made with natural rubber latex
