

Comfort-King™ offers optimal cushion and resilience for proper fatigue relief and increased productivity!

- Comfort King™ relieves stress on knee, foot, ankle joints and pressure points resulting from standing for long periods
- Intelligent solution to increase worker productivity and motivation while reducing risk of accident
- Comfort King™ offers the added benefits of wear, slip and chemical resistance creating a safer work environment

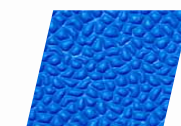

COMFORT-KING™ APPLICATIONS

Provide a light-duty solution for dry areas e.g.: Work Station, Finishing/Assembly Station and Cashier Station

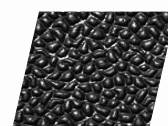

FEATURES

- Highly energized [Zedlan™](#) sponge combines softness, resilience and durability for exceptional relief
- Extra bounce property stimulates muscles and blood flow to reduce fatigue
- Outwears other sponge products by nearly three to one
